

Welcome to the 2023-2024 school year! As some of you know, room 3 is the superhero class! I am incredibly excited to meet my newest superheroes and welcome back my former superheroes on Tuesday, September 5th.

I had a relaxing summer break with my family, recovering from my recent surgery! We enjoyed spending a lot of low key family time together with family and friends. I am going to make a list of all of the fun things I did this summer. Will you do the same? I can't wait to tell you all about my summer and I hope you will share your favorite adventures with your teachers and classmates on the first day of school.

The summer flew by in a blink of an eye! I can hardly believe I am welcoming my superheroes into our classroom soon. Our classroom is decorated, and the books, games, and art supplies are out on the shelves. All that is needed to make our classroom complete is YOU!!! We are going to have a SUPER year filled with lots of learning and new adventures. You are going to learn and grow SO MUCH this year!

I'm looking forward to an amazing school year. I hope that you are just as excited about coming to school as I am about having YOU in my class.

Love and Hugs,  
☺ Mrs. Hinson
