How do I keep myself organized?

Let's start with how we name our files on HerricksK12!

- ❖ Create the folder and subfolders and share it with your teacher!
- ❖ Name the main folder - for example: FFrattoChinesePortfolio / FFrattoFrenchPortfolio / FFrattoItalianPortfolio / FFrattoSpanishPortfolio
- ❖ Create five subfolders within the main folder FFrattoLANGUAGEPortfolio
 - 1. Storage - store files (documents, audio, video, rubrics, etc) to select from at a later date
 - 2. Speaking Evidence - evidence once selected is placed in this folder to reflect the mode
 - 3. Writing Evidence - evidence once selected is placed in this folder to reflect the mode
 - 4. Cultural Reflection - one document that answers the questions in a thoughtful and reflective manner
 - 5. Self-Reflection/Assessment - one document that answers the questions in a thoughtful and reflective manner
- ❖ Every document/audio or video file should be named or renamed with your First Initial and Last Name with a description - for example: FFrattoCommunityLetter / FFrattoCommunityVideo

Subfolders

The screenshot shows the Google Drive interface. At the top left is the Drive logo. A search bar is at the top center. On the left sidebar, there are navigation options: New, Priority, My Drive, Shared drives, Shared with me, Recent, Starred, Trash, and Storage (1.5 GB used). The main area shows the path 'My Drive > FFrattoSpanishPortfolio'. Below this, a list of folders is displayed under the heading 'Folders'. The folders are: Cultural Reflection, Self Reflection/Assessment, Speaking Evidence, Storage, and Writing Evidence. A large grey arrow with a blue outline points upwards towards the 'Storage' folder. In the top right corner, there are icons for help, settings, and a user profile.

Don't worry about the order of the folders! Store evidence in the Storage folder and when ready, move the file to the correct folder.

Naming files to help organize your files

The screenshot displays the Google Drive web interface. At the top, there is a search bar labeled "Search Drive" and navigation icons for help, settings, and a grid menu. The user's profile icon, featuring a purple and blue shield with a white 'F', is visible in the top right corner. The breadcrumb navigation shows the path: "My Drive > FFrattoSpanishPortfolio > Storage". On the left sidebar, the "New" button is highlighted, and below it are options for "Priority", "My Drive", "Shared drives", "Shared with me", "Recent", "Starred", and "Trash". At the bottom of the sidebar, the "Storage" section indicates "1.5 GB used". The main content area shows a list of files under the heading "Files". A single file, "FFrattoCommunityAds.docx", is highlighted with a blue border. The file icon is a Microsoft Word document with a blue 'W' logo. The file's thumbnail preview shows a document with several columns of text, likely a community advertisement or report.
