Remote Learning with Kami: For Students

Getting started with Kami's integration with Google Classroom™

Step 1

- Install the Kami Chrome Extension in your Google Chrome Browser (kami.app/extension)
- Click the **Add to Chrome** button, then **Add Extension**.

Once you sign in with the student's Google Account, extension will load in.

Step 2

- Go to [Google Classroom](https://classroom.google.com/), open your class, and go to **Classwork**.
- Open your **Assignment**, and choose the file you wish to work on. You should now see a preview of the file; click **Open with Kami** to start completing your work in Kami.

A blue button with a white "K" icon and the text "Open with Kami".

Step 3

- Sign in using your school's Google account using the **Allow Google Drive** button.

A blue button with a white Google Drive icon and the text "Allow Google Drive".

Step 4

- Select **K12 School**, then **Student** as your role, then **Finish**. Now, Kami is set up on your device.

Step 5

- Once you're finished with your work, click the **Turn In** button. This will submit your work to your teacher. Yay! You've now completed and submitted your assignment.

A blue button with a white document icon and the text "Turn In".
