WHEN YOUR COVERAGE BEGINS

BECOMING ELIGIBLE

If your date of employment is prior to January 1, 2011, you will be eligible on the plan effective date shown in the Schedule of Benefits. If your date of employment is on or after January 1, 2011, you will be eligible the first day of the month following your date of employment. If you are not actively at work on the day you would normally become eligible, you will be eligible on the day you return to active work.

BECOMING COVERED

If you enroll for coverage on or before the day you become eligible, you will be covered on the day you become eligible. If you enroll for coverage more than thirty-one days after the day you become eligible, you will have a 3-month waiting period and coverage will become effective the first of the month after your 3 month waiting period.

WHEN YOUR DEPENDENTS' COVERAGE BEGINS

DEPENDENT

This term means:
(a) Your spouse.
(b) Each of your single children. The term "children" also includes any child who is related to you by blood or marriage; and any other child if that child lives in your household in a parent-child relationship and is dependent on you for support.
Each child must be under age nineteen, or a full-time student under age twenty-five.
If your child is mentally ill, developmentally disabled, mentally retarded or has a physical handicap when coverage would end due to the child's age, coverage may be continued. Ask your Plan Coordinator within thirty-one days of the date your child's coverage ends for details and forms.

BECOMING ELIGIBLE

Each person who is your dependent on the day you become eligible for coverage is eligible on that day. Each other person is eligible on the day that person becomes your dependent.

BECOMING COVERED

A person who is eligible for coverage under this plan as an employee is not also eligible as a dependent. In addition, if both you and your spouse are covered under this plan as employees, your children may not be covered as dependents of both you and your spouse.

Enroll promptly for the coverage of your dependents. Your dependents will be covered on the day they become eligible. Coverage for dependents will begin:
(a) On the day they become eligible, if you enroll for dependent coverage on or before that day.
(b) On the day you enroll them, if you enroll for dependent coverage within thirty-one days after the day they are eligible.

If you enroll your dependents more than thirty-one days after the day you become eligible, they will have a 3-month waiting period and coverage will become effective the first of the month after the 3 month waiting period.

DENTAL BENEFITS

WHAT IS COVERED

Benefits are payable for covered dental charges incurred while the person is covered for these benefits. These charges must be due to a disease defect or accidental injury to teeth covered by these benefits. If covered dental charges for any course of treatment are expected to be more than $300 and you wish an estimate of any benefits that would be payable, you may submit a treatment plan. This plan is a doctor's written report giving the results of the doctor's exam of the covered person and the suggested treatment.

The estimate is based on dental necessity only and does not take into account any deductibles and maximums or late enrollment penalties that may apply. If you are a late enrollee you are subject to your plans penalty regardless of any pre-estimate you may receive.

WHAT ARE COVERED DENTAL CHARGES

The Plan Coordinator will determine an amount consistent with the plan provisions, for any covered dental procedure not listed below as a covered service.

This COB provision applies to this plan when a Covered Person has dental coverage under more than one Plan. All of the dental expense benefits provided by the policy are subject to this provision.

COORDINATION OF BENEFITS TERMINOLOGY

Plan means any arrangement of coverage written on an expense incurred basis, which provides dental benefits or services by means of:

(1) Group blanket coverage, whether insured or uninsured including coverage provided through:

(a) HMO's and other prepayment group or individual practice plans

(b) Mandatory automobile "no fault" and "fault" insurance, including individual insurance

(2) Governmental programs, except:
(a) Coverage provided under Title XVII (Medicare) and Title XIX (Medicaid) of The Social Security Act of 1965, as amended.

COORDINATION OF BENEFITS TERMINOLOGY (Continued)

(b) Any plan when by law its benefits are in excess to those of any private insurance plan or non-Governmental plan.
(3) Any coverage under:
(a) Labor-management trusted plans
(b) Union welfare plans
(c) Employer organization plans or employee benefit organization plans
Plan does not mean:
(1) Any type of school accident coverage, including college plans
(2) Individual or family plans or contracts

This plan means the dental expense benefits, which are provided by the policy.
Primary means a plan, which pays Allowable Expense without regard to the existence of any other plans.

Secondary means any plan, which is not considered the Primary Plan. When there are more than two plans covering the same covered person this plan may be primary as to one or more plans and secondary as to a different plan or plans.

EFFECT ON THE BENEFITS OF THIS PLAN

This COB Provision applies when:
(1) A covered person is covered under this plan and one or more other plans.
(2) The covered person incurs Allowable Expense during a Claim Determination Period.
(3) The sum of the benefits payable under all of the plans, in the absence of this or a similar provision, is more than the Allowable Expense. The benefits payable includes those benefits, which a person could have collected but for which they did not apply.

How This Provision is Applied
This plan will pay its benefits without regard to the existence of any other plan when it is primary. When this plan is secondary, it will pay a reduced benefit, which when added to the benefits paid by all other plans will not exceed 100% of the total Allowable Expense.
No plan will pay more than it would have paid in the absence of this provision. When this plan is secondary, any benefits reduced during any Claim Determination Period because of this provision will be reduced proportionately. Only the reduced amount may be charged against any benefit limit of this plan.

ORDER OF BENEFITS DETERMINATION

A plan will always be primary and will pay its benefits first if the plan has no Order of Benefits Determination rules, or it has rules which differ from those set forth here, otherwise the primary and the secondary plan will be determined according to the following rules:

ORDER OF BENEFITS DETERMINATION (Continued)

(1) The benefits of a plan, which covers a person as an insured person, are determined before those of a plan which covers a person as a covered dependent.
(2) The benefits of a plan which covers a child as a covered dependent of a parent whose birthday falls earlier in the year are determined before those of a plan of the parent whose birthday falls later in the year. A person's year of birth is not relevant in applying this rule.

If the other plan does not have this rule but instead has a rule based on the gender of a parent, and as a result the plans do not agree on the order of benefits, then the rule in the other plan will determine the order of benefits.

(3) The benefits of a plan that covers a child as a covered dependent of divorced or separated parents are determined in the following order:
(a) The benefits of the plan of the parent with custody of the child are determined first.
(b) The benefits of the plan of the spouse of the parent with custody of the child, the stepparent, are determined next.
(c) The benefits of the plan of the parent not having custody are determined last.

However, if the specific terms of a court decree state that one of the parents is responsible for the dental care expenses of the child and the entity obligated to pay or provide the benefits of the plan of that parent has actual knowledge of those terms, the benefits of that plan are determined first. This paragraph does not apply with respect to any Claim Determination Period or plan year during which any benefits are actually paid or provided before the entity has that actual knowledge.

(4) The benefits of a plan which covers a person as an insured person (or a covered dependent of such insured person) who is not laid off or retired are determined before the benefits of a plan which covers such person (or dependent of such person) as a laid off or retired employee.

If the other plan does not have this rule or their plan does not agree on the order of benefits, this rule is ignored.

(5) If none of the above rules determine an order of benefits, then the benefits of a plan which has covered the person for the longer period of time are determined before those of the plan which has covered the person for the shorter period of time.

Facility of Payment
When another plan makes payments, which should have been made under this plan, the Plan Coordinator reserves the right to decide:
(1) Whether or not to reimburse the organization making the payment
(2) The amount to be paid in order to satisfy the intent of this provision

Any such payment made by the Plan Coordinator will fulfill the responsibility of the amount paid.

Right to Receive and Release Necessary Information

For the purposes of this provision, the Plan Coordinator has the right to give information to or obtain information regarding you or you dependents from:

(1) Any other insurance company
(2) Any organization
(3) Any person

As a claimant under this plan, you must supply the Plan Coordinator with information necessary to enforce this provision.

Right of Recovery

If the Plan Coordinator makes any payment which is more than the amount needed to satisfy the intent of this provision, then the Plan Coordinator will have the right to recover the amount of the excess from one or more of the following:

(1) The person to or for whom such payments were made
(2) Any other insurance company
(3) Any other organization

Your Benefits will terminate on the earliest of:

(a) The date the policy terminates
(b) The date ending the last period that premiums cease to be paid on your behalf
(c) The date you are no longer a member of a class eligible for this coverage.
(d) The last day of the month in which you leave your employ

However, if your employment terminates ask your Employer what rights of continuation, if any, you may have.

COBRA (Continuation of Coverage After Termination)

On April 7, 1986, the Consolidated Omnibus Reconciliation Act (COBRA) of 1985 was signed into law. The provisions of the federal law are outlined in (OPTIONAL CONTINUANCE OF DENTAL COVERAGE).

Optional continuance of employee and dependent dental coverage for 18 months

If your coverage ends, you may elect to continue for a maximum period of eighteen months the dental coverage under the group plan for you and your dependents, provided that the coverage ends due to:

(a) Lay-off
(b) A reduction in the scheduled work hours per week
(c) Voluntary termination of employment with your employer
(d) Discharge from your job (other than for gross misconduct)

Please Note: The 18-month period may be extended to 29 months, if you are determined by the social security administration to have been disabled at the time of such termination of employment or reduction in work hours. J.J. Stanis and Company, Inc. will notify you of your right to continue coverage within 45 days of the termination of your dental coverage.

SPECIAL CONTINUANCE OF DENTAL COVERAGE

If your dependent's coverage ends, he or she may elect to continue for a maximum period of thirty-six months. The dental care coverage under the group plan for him or her, is as follows:

(a) Your dependent spouse may elect to continue coverage on his or her own behalf and that of any dependent children whose coverage would otherwise end, provided that the coverage ends due to:
   (1) Your death
   (2) Your divorce or legal separation
   (3) Your eligibility for Medicare

(b) Your dependent child whose coverage would otherwise end, may elect to continue coverage on his or her own behalf, provided that the coverage ends due to death of the employee when there is no surviving parent, or the child's marriage or attainment of the age limit.

You or your dependent must notify your Employer of the occurrence of the events shown in (a) or (b) above. The notice should be given to your Employer as soon as it is reasonably possible after the date the event occurred.

Within 45 days of receipt of notice that an event ending a dependent's coverage has occurred, J. J. Stanis and Company, Inc. shall send notice to your dependent of the right to continue the coverage.

TO CONTINUE COVERAGE, YOU OR YOUR DEPENDENT MUST APPLY IN WRITING WITHIN 60 DAYS OF THE LATER OF (1) THE DATE THE COVERAGE ENDS, OR (2) THE DATE YOU OR YOUR DEPENDENT RECEIVE NOTICE OF THE RIGHT TO CONTINUE THE COVERAGE.

You or your dependent must pay the required amount, if any, for the continued coverage. J.J. Stanis will inform you of the monthly amount to be paid. You or your dependents must also pay such amount for any period of continued coverage, which began prior to the election of such continuance. This amount must be paid within 45 days after the date the continued coverage is elected.

The continued coverage will begin on the date after the date coverage would have ended. It will end when the first of the following events occur:

(a) The group plan terminates
(b) The end of the period allowed for continued coverage
(c) The end of the period for which contributions were paid
(d) The date you or your dependent became covered under a group plan, which does not exclude or limit your benefits because of a pre-existing condition.
(e) The date you or your dependent becomes eligible for Medicare
(f) The date your former spouse remarries and thereby becomes covered under another group Plan.
