## Explaining Your Behavior Using the Modern Approaches

- 1) Which of the six psychological perspectives do you think best explains behavior? Why?
- 2) Please select one of the following three choices, and write down a detailed response.
  - Describe your behavior regarding the college application process.
  - Describe your behavior when you are around someone to whom you are attracted and/or when you are in a new social situation.
  - Describe your behavior when you get back a bad grade.
- 3) Use the perspective discussed above to explain this behavior.

4) Use the perspective you were assigned to explain this behavior.

5) Which explanation do you think works best? Why?
