Revised

Fino Celano, Superintendent
Herricks Union Free School District
999B Herricks Rd.
New Hyde Park, NY 11040

Dear Superintendent Celano:

Congratulations. I am pleased to inform you that your Annual Professional Performance Review (APPR) plan meets the criteria outlined in Education Law §3012-d and Subpart 30-3 of the Commissioner's Regulations and has been approved. As a reminder, we are relying on the information you provided on your APPR form, including the certifications and assurances that are part of your approved APPR plan. If any material changes are made to your approved plan, your district/BOCES must submit such material changes to us for approval. Please see the attached notes for further information.

Please be advised that, pursuant to Education Law §3012-d, the Department will be analyzing data supplied by districts, BOCES, and/or schools and may order a corrective action plan if there are unacceptably low correlation results between the Student Performance category and the Teacher Observation or Principal School Visits category, and/or if the teachers' or principals' overall ratings and subcomponent scores show little differentiation across educators and/or the lack of differentiation is not justified by equivalently consistent student achievement results, and/or if schools or districts show a pattern of anomalous results in the Student Performance category and/or the Observation/School Visits category.

The New York State Education Department and I look forward to continuing our work together, with the goal of ensuring that every school has world-class educators in the classroom, every teacher has a world-class principal to support his or her professional growth, and every student achieves college and career readiness.

Thank you again for your hard work.

Sincerely,

MaryEllen Elia
Commissioner

NOTE:

Pursuant to sections 30-2.14 and 30-3.17 of the Rules of the Board of Regents, during the 2015-16 through 2018-19 school years, your district/BOCES must calculate transition scores and ratings for teachers and principals that exclude the results of grades 3-8 ELA and math State assessments and any State-provided growth scores. For the 2016-17 through 2018-19 school years, your district/BOCES must establish alternate SLOs for affected teachers and principals who, as a result of the above exclusions, have no remaining measures in the Student Performance Category.

Only documents that are incorporated by reference in your APPR have been reviewed and are considered as part of your APPR; therefore, any supplemental documents such as memorandums of agreement or understanding that were uploaded with your APPR but are not incorporated by reference in your APPR have not been reviewed. However, the Department reserves the right to review the uploaded attachments at any time for consistency with your APPR plan and/or to ensure compliance with applicable laws and regulations; and as a result of such review, the Department may reject your APPR plan and/or require corrective action.

Task 1. School District Information - Tasks 1.1, 1.2

Page Last Modified: 06/29/2016

Task 1) Disclaimers

For guidance related to Annual Professional Performance Review plans, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

The Department will review the contents of each school district's/BOCES' Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in a district's/BOCES' plan.

The Department reserves the right to request further information from a district/BOCES to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. As such, each district/BOCES is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of a district's/BOCES' plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the school district/BOCES are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR plan approved by the Department. The Department also reserves the right to request further information from the school district/BOCES, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

1.1) Assurances**Please check all of the boxes below**

- Assure that the content of this form represents the district's/BOCES' entire APPR plan and that the APPR plan is in compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- Assure that a detailed version of the district's/BOCES' entire APPR plan is kept on file and that a copy of such plan will be provided to the Department upon request for review of compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.
- Assure that this APPR plan will be posted on the district/BOCES website no later than September 10th of each school year, or within 10 days after the plan's approval by the Commissioner, whichever shall later occur.
- Assure that it is understood that this district's/BOCES' APPR plan will be posted in its entirety on the NYSED website following approval.

1.2) Submission Status

Is this a first-time submission under Education Law §3012-d or the submission of material changes to an APPR plan approved pursuant to Education Law §3012-d?

Task 2. Original Student Performance - Required (Teachers) - Original Tasks 2.1 (Assurances), 2.2 (4-8 ELA/Math)

Page Last Modified: 06/29/2016

Task 2) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher’s students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher’s students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

2.1) Assurances

Please note: NYS Grades 3-8 ELA/Math Assessments and State-provided growth scores cannot be used for the purposes of providing transition scores and ratings during the 2015-16 through 2018-19 school years, and should be used for advisory purposes only until the 2019-20 school year. Alternate SLOs to be used during the 2016-17 through 2018-19 transition period should be entered in Task 2 (Transition).

Please check the boxes below.

- Assure that the growth score provided by NYSED will be used, where required.
- Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all 4-8 ELA and Math teachers in the event that a State-provided growth score cannot be generated for that teacher.
- For the 2019-20 school year and thereafter, for any grade/subject that requires a back-up SLO, but for which there are not enough students, not enough scores, or data issues that prevent a teacher-specific SLO from being created, the superintendent or another trained administrator shall develop a school-wide back-up SLO using available State/Regents assessments.
- Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

2.2) Grades 4-8 ELA and Math: Assessments (Original)

STATE-PROVIDED MEASURES OF STUDENT GROWTH

For teachers in grades 4 - 8 Common Branch, ELA, and Math, NYSED will provide a growth score and rating. That rating will incorporate students' academic history compared to similarly academically achieving students and takes into consideration students with disabilities, English language learners, students in poverty, and, in the future, any other student-, classroom-, and school-level characteristics approved by the Board of Regents. While most teachers of 4-8 Common Branch, ELA and Math will have State-provided scores and ratings, some may teach other courses where there is no State-provided growth measure. Teachers with 50 – 100% of students covered by State-provided growth measures will receive a growth score and rating from the State for the full Student Performance category of their evaluation. Teachers with 0 – 49% of students covered by State-provided growth measures must have SLOs for the Student Performance category of their evaluation and one SLO must use the State-provided measure if applicable for any courses. (See APPR Guidance and SLO Guidance for more detail on teachers with State-provided growth measures and SLOs.)

For the 2019-20 school year and thereafter, for those teachers who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that teacher.

Using the drop-down boxes below, please select the assessment(s) that will be used for the back-up SLOs for the grade/subject listed beginning in the 2019-20 school year.

2.12) Teachers with More Than One Growth Measure (Original)

For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one 0-20 score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Common branch teacher with State-provided growth measures for both ELA and Math in grade 4; middle school math teacher with both 7th and 8th grade math courses.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

2.13) Assurances

For guidance on SLOs and the development of back-up SLOs, please see NYSED APPR Guidance and SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

Task 2. Original Student Performance - Required (Teachers) - Original Tasks 2.10 (Other Courses), 2.11-2.14

Please check the boxes below.

- Assure that the teacher has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learner status and prior academic history.
- Assure that all growth targets are approved by the superintendent or another trained administrator.
- Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- Assure that if a teacher's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 2.11, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

2.14) Use of the Optional Subcomponent and Student Performance Category Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

100% of the Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent.

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher's students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher's students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, grades 3-8 NYS ELA/math assessments and any State-provided growth scores may only be used for advisory purposes and may not be used for the purpose of calculating transition scores and ratings.

If grades 3-8 ELA/math State assessments and any State-provided growth scores are the entirety of the Student Performance category, districts/BOCES must also develop an alternate SLO based on assessments that are not grade 3-8 ELA/math State assessments and/or on State-provided growth scores for the Required subcomponent of the Student Performance category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

2.2-2.10) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Using the table below, please first select a measure and assessment(s) that will be used for the alternate SLO during the 2016-17 through 2018-19 school years, then indicate the applicable courses.

For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO

Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one alternate SLO, the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO.

Up to 50% of Student Performance category, if selected.

Such second measure shall apply in a consistent manner, to the extent practicable, across all classrooms in the same grade/subject in the district/BOCES and be either:

(A) a second State-provided growth score on a State-created or administered test, provided that the State-provided growth measure is different than that used in the Required subcomponent, or

(B) a growth score based on a State-designed supplemental assessment, calculated using a State-provided or approved growth model.

3.1) Use of the Optional Subcomponent of the Student Performance Category

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

4.1) Teacher Practice Rubric

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards.

Rubric Name	If more than one rubric is utilized, please indicate the group(s) of teachers each rubric applies to.
Danielson's Framework for Teaching	(No Response)

4.2) Assurances

Please check all of the boxes below.

- Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.
- Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents.
- Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the district/BOCES, provided that districts/BOCES may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year.
- Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.

4.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Teacher Observation category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged).

All observable components will be equally weighted and averaged.

4.4) Calculating Observation Ratings

Assurances

Please check the boxes below.

- Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the ranges indicated below.
- Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified in task 4.5 below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please check the box below in the event that your district/BOCES is granted an annual Independent Evaluator Hardship Waiver by the Department.

- Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the second observation(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator. See Section 30-3.4(d)(2)(i)(b)(1) of the Rules of the Board of Regents.

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.

APPR Appeal Process

WHEREAS, Section 3012-d of the Education Law establishes a comprehensive annual evaluation system for classroom teachers, as well as the issuance and implementation of improvement plans for teachers whose performance is assessed as ineffective; and WHEREAS, consistent with the aforementioned law, the parties have entered into negotiations to implement an appeals process in the event that a teacher wishes to challenge a performance review and/or improvement plan under the new evaluation system; and WHEREAS, the appeal procedure set forth herein is intended to address a teacher's due process rights while ensuring that appeals are resolved in an expeditious manner. The parties hereby agree as follows:

- 1. APPEALS OF INEFFECTIVE AND DEVELOPING RATINGS ONLY** Appeals of annual professional performance reviews will be available only to tenured teachers who are rated as ineffective or developing. Appeals of teacher improvement plans will be available only to tenured teachers.
- 2. WHAT MAY BE CHALLENGED IN AN APPEAL** Appeals will be limited to the following subjects: (1) the District's adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d; (2) the adherence to the Commissioner's regulations, as applicable to such reviews; (3) compliance with any applicable locally negotiated procedures applicable to annual professional performance reviews or improvement plans; and (4) the District's issuance and/or implementation of the terms of a teacher improvement plan under Education Law §3012-d.
- 3. PROHIBITION AGAINST MORE THAN ONE APPEAL** A teacher may not file multiple appeals regarding the same performance review or improvement plan. All grounds for appeal must be raised with specificity within one appeal. Any grounds not raised at the time the appeal is filed shall be deemed waived.
- 4. BURDEN OF PROOF** In an appeal, the teacher has the burden of demonstrating a clear legal right to the relief requested and the burden of establishing the facts upon which petitioner seeks relief.
- 5. TIMEFRAME FOR FILING APPEAL** All appeals must be submitted in writing no later than 12 calendar days of the date when the teacher receives his/her annual professional performance review. If a teacher is challenging the issuance of a teacher improvement plan, an appeal must be filed within 12 calendar days of issuance of such plan. The failure to file an appeal within these timeframes shall be deemed a waiver of the right of appeal and the appeal shall be deemed abandoned. When filing an appeal, the teacher must submit a detailed written description of the specific areas of disagreement over his or her performance review, or the issuance and/or implementation of the terms of his or her improvement plan and any additional documents or materials relevant to the appeal. The performance review and/or improvement plan being challenged must also be submitted with the appeal. Any information not submitted at the time the appeal is filed shall not be considered.
- 6. DECISION-MAKER ON APPEAL** A decision shall be rendered by the superintendent of schools or the superintendent's designee, except that an appeal may not be decided by the same individual who was responsible for making the final rating decision.
- 7. DECISION** A written decision on the merits of the appeal shall be rendered no later than 12 calendar days from the date upon which the teacher filed his or her appeal. The appeal shall be based on a written record, comprised of the teacher's appeal papers and any documentary evidence accompanying the appeal, as well as the school district response to the appeal and additional documentary evidence submitted with such papers. Such decision shall be final. The decision shall set forth the reasons and factual basis for each determination on each of the specific issues raised in the teacher's appeal. If the appeal is sustained, the rating will be modified accordingly. A copy of the decision shall be provided to the teacher and the evaluator or the person responsible for either issuing or implementing the terms of an improvement plan, if that person is different.
- 8. EXCLUSIVITY OF SECTION 3012-d APPEAL PROCEDURE** the 3012-d appeal procedure shall constitute the exclusive means for initiating, reviewing and resolving any and all challenges and appeals related to a teacher performance review and/or improvement plan. A teacher may not resort to any other contractual grievance or judicial procedures for the resolution of challenges and appeals related to a professional performance review and/or improvement plan, except as otherwise authorized by law, and the appeal shall be final and not subject to further review.

6.5) Assurance: Evaluators

Please check the box below.

- The district/BOCES assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below.

6.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

Task 7. Original Student Performance - Required (Principals) - Original Task 7.1 (State-Provided Growth Measures)

Page Last Modified: 06/27/2016

Task 7) Original Required Student Performance Subcomponent

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

7.1) State-Provided Measures of Student Growth (Original)

For principals with at least 30% of their students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model. Please list the grade configurations of the school(s)/program(s) in your district/BOCES where it is expected that 30-100% of a principal's students are taking assessments with a State-provided growth measure, (e.g., K-5, PK-6, 6-8, 6-12, 9-12, etc.). For principals where less than 30% of their students are covered under a State-provided growth measure, such principals shall have an SLO consistent with a goal setting process determined or developed by the Commissioner that results in a student growth score; provided that for any grade-level/course that ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO. (See Guidance for more detail on principals with State-provided measures and SLOs.)

For the 2019-20 school year and thereafter, for those principals who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that principal.

Please list the grade configurations of the schools or principals where State-provided growth measures will apply beginning in the 2019-20 school year (please list, e.g., K-5, PK-6, 6-8, 6-12, 7-12, 9-12). For each configuration, also indicate assessment(s) used for the back-up SLO beginning in the 2019-20 school year.

For each grade configuration indicate the following:

- **Column 1: lowest grade that corresponds to the building or program**
- **Column 2: highest grade that corresponds to the building or program**
- **Column 3: assessment(s) used**

Follow the examples below.

	(1) lowest grade	(2) highest grade	(3) assessment(s)
Grades K-6 Building	K	6	NYS Grade 4 ELA, NYS Grade 5 ELA, NYS Grade 6 ELA, NYS Grade 4 Math, NYS Grade 5 Math, NYS Grade 6 Math
Grades 7-12 Building	7	12	All applicable Regents assessments which are used to generate the principal's State-provided growth score

Using the table below, please select the assessment(s) that will be used for the back-up SLOs beginning in the

Please check the boxes below.

- Assure that the growth score provided by NYSED will be used, where required.
- Assure that, starting in the 2019-20 school year, back-up SLOs will be set by the superintendent or another trained administrator for all principals who receive a State-provided growth score in the event that a State-provided growth score cannot be generated for that principal.
- Assure that, during the 2015-16 through 2018-19 school years, the results of the NYS Grades 3-8 ELA/Math assessments and State-provided growth scores will continue to be used to calculate an original score and rating for advisory purposes only.

7.4) Principals with More Than One Growth Measure (Original)

For more information on principals with more than one growth measure, please see NYSED APPR Guidance and SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Principals of K-8 schools with growth measures for ELA and math grades 4-8.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO).

7.5) Assurances

Please check all of the boxes below.

- Assure that the principal has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.
- Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learners status and prior academic history.
- Assure that all growth targets are approved by the superintendent or another trained administrator.
- Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.
- Assure that if a principal's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 7.3, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.
- Assure that processes are in place for the superintendent to monitor SLOs.
- Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents and the approved APPR plan.

7.6) Student Performance Subcomponent Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate if the Optional subcomponent will be used by making the appropriate selection below.

NO, the Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

Task 7) Required Student Performance Subcomponent (Transition Period, 2016-17 through 2018-19)

The measures indicated in this section only apply during the 2016-17 through 2018-19 school years.

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

For guidance on the use of alternate SLOs during the transition period, see: <https://www.engageny.org/resource/guidance-on-new-york-s-annual-professional-performance-review-law-and-regulations>.

100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent

(A) For a principal of a building which includes grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.

(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

During the 2016-17 through 2018-19 school years, pursuant to the requirements of §30-3.17 of the Rules of the Board of Regents, if excluding grade 3-8 ELA/math State assessments and any State-provided growth scores results in no remaining student performance measures, districts/BOCES must develop alternate SLOs based on assessments that are not grade 3-8 ELA/math State assessments for the Required subcomponent of the Student Performance Category during the transition to higher standards through new State assessments aligned to revised learning standards and a revised State-approved growth model.

7.1-7.2) Alternate SLOs (Transition Period, 2016-17 through 2018-19)

Please list the grade configurations of the schools or principals where alternate SLOs will apply. For each configuration, also indicate the measure and assessment(s) used for the alternate SLO.

For each grade configuration indicate the following:

- Column 1: lowest grade that corresponds to the building or program
- Column 2: highest grade that corresponds to the building or program
- Column 3: measure used
- Column 4: assessment(s) used

Follow the examples below.

	(1) lowest grade	(2) highest grade	(3) measure	(4) assessment(s)
Grades K-2 Building	K	2	District- or BOCES-wide results	Common Core English, Common Core Algebra, Living Environment, Global 2, US History
Grades 11-12 Building	11	12	Principal-specific results	Common Core English, US History

Using the table below, please select the assessment(s) that will be used for the alternate SLOs during the 2016-17 through 2018-19 school years for each grade configuration listed. In all other school years, the SLO will be based on the largest grades/courses in the principal's school building, using State or Regents assessments as the underlying evidence for such SLOs where they exist.

9.3) Process for Weighting Rubric Domains/Subcomponents

For guidance on the Principal School Visit category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

9.4) Calculating School Visit Ratings

Assurances

Please check the boxes below.

- Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the ranges indicated below.
- Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified in task 9.5 below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned.

Please check the box below in the event that your district/BOCES is granted an annual Independent Evaluator Hardship Waiver by the Department.

- Assure that if the district is granted an annual Rural/Single Building District Independent Evaluator Hardship Waiver by the Department, the second school visit(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the school visit(s) required to be performed by the Superintendent/supervisor or his/her designee. Task 11. Additional Requirements (Principals) - Tasks 11.1-11.9

Page Last Modified: 06/27/2016

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way.**APPEAL PROCESS**

A. Any principal who receives an ineffective or developing rating or a tenured principal who receives a developing rating, shall be entitled to appeal their annual APPR rating, based upon a paper submission to the Superintendent of Schools or the Superintendent's administrative designee, who shall be trained in accordance with the requirements of the statute and regulations and also possesses either an SDA or SDL Certification; provided, however, in the event that the Superintendent or the Superintendent's administrative designee served as an evaluator or lead evaluator he or she shall not hear the appeal.

B. The appeal must be brought in writing, specifying the area(s) of concern, but limited to those matters that may be appealed as prescribed in Section 3012-d of the Education Law. Further, a principal who is placed on a Principal Improvement Plan ("PIP") shall have a corresponding right to appeal concerns regarding the PIP in accordance with the requirements set forth in Section 3012-d of the Education Law.

C. All steps and the resolution on an appeal will be taken in a timely and expeditious manner consistent with Education Law 3012-d. An appeal of an APPR evaluation or a PIP must be commenced within ten (10) school days of the presentation of the respective final document to the principal, in the case of a tenured principal, and fifteen business days of the presentation of the final document to a probationary principal (extended by an additional period of up to 10 calendar days if he or she is going to be on a planned vacation during the 15 business days as referenced above) or else the right to appeal shall be deemed waived in all regards; provided, however, that in the case of a PIP appeal, there shall be a second fifteen business day period for a PIP appeal following the end date of the PIP. In the event that the PIP has an ending date after June 1st, the time for appealing the PIP shall be extended until no later than the 10th day after classes begin during the September immediately following the last day of the PIP.

D. The Superintendent or the Superintendent's administrative designee shall respond to the appeal with a written answer granting the appeal and directing further administrative action, or a written answer denying the appeal that must include explanation and rationale behind that decision. The Superintendent or the Superintendent's administrative designee shall review the evidence underlying the observations of the principal along with all other evidence submitted by the principal prior to rendering a decision. Such decision shall be made within fifteen business days of the receipt of the appeal and shall be considered preliminary.

If not satisfied by the preliminary decision of the Superintendent or his/her designee the building principal shall within three (3) school days request a review be performed by a mutually agreed upon retired administrator. Within five (5) calendar days the parties from the request for review the parties shall be furnished a list of retired administrators willing to conduct a review from the New York State Retired Supervisors and Administrators Association or any other organization that may maintain such a list. The list of names shall also include resume and fees. If the parties within five (5) business days cannot mutually agree upon the selection of the retired administrator the list shall be provided to the AAA for selection. The cost of the AAA will be borne equally by both parties. The fee for the review shall in no event exceed customary AAA arbitrator rates. The cost of the independent review shall be born equally by both parties.

E. The review shall consist of reviewing the preliminary decision, the evidence underlying the observations/evaluations of the principal, and all other evidence submitted by the principal and/or the district. The evidence and arguments shall be presented to the retired administrator for review within fifteen (15) business days after his/her selection. Upon completion of the review the retired administrator shall render a written advisory opinion within ten (10) business days after receipt of the evidence and arguments from both sides. The advisory opinion may recommend upholding, reversing, or modifying the preliminary determination as well as provide recommendations, including but not limited to, adjustments to the principal improvement plan or other corrective actions.

G. Upon receipt of the advisory decision the Superintendent shall within five (5) school days review said advisory opinion and in his/her sole discretion either adopt, reject, in whole, or in part, the advisory opinion. The decision of the Superintendent or the Superintendent's administrative designee upon review of the advisory opinion shall be final and binding in all regards and shall not be subject to review at arbitration, before any administrative agency or in any court of law.

H. Procedural objections to the appeal process or PIP plan shall be subject to the grievance procedure within the parties' collective bargaining agreement.

J. Annual Professional Performance Reviews shall be a significant factor for employment decisions including but not limited to promotion, retention, tenure determination, termination and supplemental compensation as per Education Law 3012-d.

11.5) Assurance: Evaluators**Please check the box below.**

Teacher Improvement Plan (TIP) Process

The NYS Commissioner's Regulations require that any teacher with an annual professional performance review rated as Developing or Ineffective shall receive a Teacher Improvement Plan ("TIP"). A TIP is not a disciplinary action. A TIP shall be developed by the supervising administrator in consultation with the teacher and the HTA. At the end of the timeline set forth in the TIP, the teacher, supervising administrator and HTA representative shall meet to assess the teacher's performance and ability to achieve the goals set forth in the TIP. Based on the outcome of this assessment, the TIP may be deemed satisfied, modified and continued, or deemed as having been unsuccessfully completed by the teacher.

The TIP is used for those teachers whose are rated "developing" or "ineffective". The final evaluation must be based on at least one formal observation completed by the supervising administrator during the current school year. The final evaluation includes evidence from all teacher rubric components and encompasses much more than the formal observation.

A TIP is completed collegially among the teacher whose rating is "developing" or "ineffective", supervising administrator and HTA representative. They set professional goals to ensure growth toward improved student outcomes. Working towards this growth in an environment of professional respect is an expectation for all parties.

The TIP should be developed as soon as practicable after the final evaluation has been completed, but in no case later than ten school days after the date on which teachers are required to report prior to the opening of classes for the new school years. The TIP should be structured around each of the teacher rubric components. TIP goals/activities should be structured so that no more than four or five at a time are addressed. The following should be included on the TIP:

- Definition of the Problem (i.e. areas in need of improvement)
- Statement of the Goals
- Intervention Strategies (i.e. where appropriate, differentiated activities to support the teacher's improvement)
- Resources
- Sample Indicators of Success
- Timeline for achieving improvement

All participants in the TIP meeting should be listed on the TIP. Periodic follow-up sessions should be conducted to assess the teacher's progress as set forth the in the TIP.

- 4) Resources – The teacher, administrator and HTA representative will jointly list resources, available district materials, workshops, etc. to help improve the teacher’s practice.

- 5) Sample Indicators of Success – The teachers, administrator and HTA representative will mutually agree upon tangible or visible indicators of success (linked to the APPR rubric selected).

- 6) Timeline – The teacher, administrator and HTA representative will discuss and a timeline for improvement shall be set forth for the process and a date(s) for the follow-up evaluation(s). The teacher will present documentation and evidence of improvement in the designated area at this time. Additional observations/meetings will take place as needed.

The Teacher Improvement Plan and all records of subsequent observations and meetings will become part of the teacher’s record. The teacher should maintain copies of all documentation.
