

Spanish Language Immersion Program: New Kindergarten Classes Forming for 2022-2023

The K-12 Spanish language immersion program at Herricks is a voluntary program for those parents who would like to involve their children in learning the Spanish language while also following the traditional Herricks elementary curriculum. Students learn in English during one-half of the day, and in Spanish the other half of the day.

* The program is housed at Denton Avenue and is open to all district residents. There are only 48 spots available. Learn more about our program by visiting: <https://www.herricks.org/Domain/107>

Families who are interested in pursuing this option for their child, including those with a child currently in the program, must attend one of our mandatory virtual meetings. If more than 48 families are interested, a lottery is held. Please sign up online for one of the following informational meetings via the link below:

Thursday, March 10 @ 9:15 AM

Monday March 21 @ 7:00 PM

Tuesday, April 05 @ 9:15 AM

<http://herricks.org/immersion>

If you should have questions, please contact Mr. Fratto, Director of Immersion, at 516-305-8719 or FFratto@herricks.org
