Dear Parent/Guardian,

**AS PER NEW YORK STATE EDUCATION DEPARTMENT, ALL STUDENTS ENTERING 7<sup>TH</sup> GRADE MUST HAVE PROOF OF THE MENINGITIS VACCINE AND A CURRENT PHYSICAL EXAM.**

A physical examination is valid for 365 days from the date of administration. The school doctor will be at the Middle School the first week of June. If you would like your child to see the school doctor for a physical, please call the Health Office. Please note that the school doctor will not give the meningitis vaccine. You have to see your private doctor for the vaccine.
