# Board of Education Notes October 19, 2023 Meeting

*In an effort to increase Board/Public Communications, after each Board of Education meeting an email will be sent to parents, staff, and anyone who requested to receive district e-mail communications, highlighting board discussions.*

• The meeting opened with a few words from Ali Battaglia, District External Auditor, who said that the district was at a good level with reserves and in full compliance with regulations. Ali had no recommendations as of this meeting. A full report is available on the Herricks website.

• Denton Avenue was presented with a proclamation from the Town of North Hempstead in recognition of Denton being named a National Blue Ribbon School. This was followed by a presentation by several middle school students in observation of Board Appreciation Week. Members of the middle school orchestra played a song in honor of the Board, then said a few words of appreciation and presented each member with a gift.

• The high school student representatives highlighted the Homecoming game, Unity Day, and the Varsity Boys Badminton team's win at the recent conference. The special Homecoming event for our VIP, STRIVE, and PACE students was a great success and the Digital PSATs went off without a hitch.
