At the YMCA, we believe that all kids deserve the opportunity to discover who they are, what they can achieve, and how to reach their full potential. Through the **YMCA at Herricks Summer Recreation Program**, children explore their creative side, perform science experiments, learn to swim, and make new friends. With our flexible scheduling options, the program is designed to accommodate busy summer schedules and maximize the fun and learning for memories that will last a lifetime. We invite your child to join us for the best summer ever!

2019 SESSIONS

3-WEEK OPTION: July 8 – July 26, 2019

5-WEEK OPTION: July 8 – August 9, 2019

PROGRAM OFFERINGS

ELEMENTARY PROGRAM

Students entering grades K-5

The Elementary Program encourages students to have organized fun while participating in various group activities that develop creativity, learning and building confidence. Activities include arts & crafts, cooking, STEM, Imagination Station, yoga, Tae Kwon Do, recreational swim, and more. Four trips will be planned for the Full Day students in grades 3, 4, & 5. Students entering Kindergarten must be 5 years old by December 1, 2019 and must be fully toilet-trained.

Denton Avenue Elementary School
1050 Denton Avenue
New Hyde Park, NY 11040

TEEN PROGRAM

Students entering grades 6-9

The Teen Program is designed to keep students involved in various activities that ensures daily fun while learning and building their skills. The program encourages positive values for teenagers by providing challenging and character building exercises. Designed with today's teenagers in mind, students may take part in activities such as recreational swimming, fitness, art & crafts, and off-site trips. The Teen Program follows a weekly schedule of 2 trips per week.

Herricks Middle School
7 Hilldale Drive
Albertson, NY 11507

INCLUSION

Every child should have the opportunity to learn, feel supported, and enabled to do their personal best. If your child has specific physical, emotional or medical needs that require special considerations, please email herricks@ymcali.org

SPECIALS

Specials are built into the daily schedule for each age group that enrich a child's summer experience.

Arts & Crafts: Children are inspired to create their own works of art for projects based on a specific theme.

Cooking: Learning basic techniques, following recipes, and working as a team are just some of the skills your child will learn this summer.

PSEG STEM Discovery Lab: Our program supports science, technology, engineering, arts, and math. Thanks to our partner, PSEG Long Island, for making this program possible.

Imagination Station: The YMCA's Imagination Station program helps children prevent "summer slide," the phenomena where students tend to fall back in reading and comprehension during out-of-school time. Thanks to the support of the Rauch Foundation, the YMCA provides a certified Specialist to develop an interactive and engaging curriculum.

Yoga: Children learn basic yoga moves, stretches and poses that strengthen the physical body as well as breathing techniques to strengthen the mind.

Tae Kwon Do: Sessions emphasize safety, self-control, strength and focus.

Recreational Swim: The Y program includes daily or weekly recreational swim periods. These sessions are supervised by American Red Cross certified Lifeguards and YMCA-certified Water Safety Instructors.

LUNCH

Full Day participants must provide their own lunch in an insulated bag or container clearly marked with the student's first and last name. All students will be provided each day with a snack and bottle of water. Please note: There is no refrigeration available for student lunches or beverages, therefore please include an ice pack.

TRANSPORTATION

Transportation is available to and from your child's home school to the summer recreation program site. You must sign up for the transportation option when you register. Morning pick-up at your school will be at 9:10AM. Half day drop-off to your child's school will be 12:35PM and full day programs approximately 4:05PM. Transportation to and from your home is not available at this time.
